Professional Achievements

LOYOLA LAW SCHOOL, SOCIAL JUSTICE LAW CLINICS

Los Angeles, CA • 04/2021 – Present

SUNITA JAIN ANTI-TRAFFICKING INITIATIVE DIRECTOR

Oversee launch and development of practitioner led, survivor informed, data driven policy program at law school regarding anti-trafficking policy and engaging students in intersectional policy issues to prevent human trafficking in California and Los Angeles. Build collaborative partnerships with lived experts, community leaders, government agencies, and legislators. Oversee policy agenda focused on prevention and administrative and structural program development.

RIGHTS IN SYSTEMS ENFORCED (RISE) CLINIC DIRECTOR

Oversaw development of a first Law School Legal Clinic in country serving victims of violent crime so that victim's have an equal seat at the table during criminal prosecution. Train law students how to effectively represent victim's interests in criminal proceedings and in collateral civil legal matters. Work with community partners to explore alternatives to the traditional criminal justice system.

COALITION TO ABOLISH SLAVERY & TRAFFICKING

Los Angeles, CA • 05/2008 – 03/2021

SENIOR POLICY ADVISOR

Oversaw policy work conducted in Washington, DC, Sacramento, and Los Angeles. Advise on state and federal legislative efforts, regulations, and impact litigation with focus on immigration, criminal justice reform, child welfare, and business regulation issues. Drafted and passed seven groundbreaking legislations and significantly increased appropriations at state and federal level. Liaised regularly with state and federal government officials at departments as diverse as Department of Justice, CA Attorney General's Office, Health & Human Services, Child Welfare, Labor, CA Labor Commission, Homeland Security, State, Housing and Urban Development, and Los Angeles Housing Authority

POLICY & LEGAL SERVICES DIRECTOR

Oversaw three Cast programs including direct legal services, training and technical assistance and policy. Supervised eleven attorney positions and was responsible for overall strategic direct and program leadership.

Orchestrated largest legal services program in country to serve trafficking survivors

- Garnered funding for seven new attorney positions via federal, state, and private donors and fulfilled grant deliverables, cultivated donors, and evaluated program design

- Established systems and protocols to ensure clients received comprehensive, trauma informed cutting-edge legal services in all three court systems
- Designed database to track data on human trafficking victimization and legal services provided to survivors

Launched 1st national technical assistance/training program for lawyers and social service providers

- Piloted training models in Los Angeles and three other states
- Developed funding proposal and secured resources required to initiate program, create infrastructure to oversee remote staff, track data, and fulfill grants reporting requirements
- Conceived systems and protocols to handle double the requests expected for technical assistance generate by outreach and trainings given the success of the program

Initiated first national survivor lead policy advocacy program resulting in passage of legislation creating the first survivor advisory council to the US government

- Collaborated with leaders to develop protocols and trainings around trauma informed advocacy and leadership development
- Recruited over three hundred survivors from thirty-seven states to join National Survivor Network and surveyed policy priorities
- Provided guidance to elect four survivor policy champions bi-annually and selected four survivor led-policy issue areas
- Mentored elected survivor champions to design strategic policy approach with governmental agencies/legislature

Secured \$10M in funding in CA general budget for provision of comprehensive services for trafficking survivors

- Administered survey/information gathering from service providers to justify budget request and need
- Hosted advocacy events with survivor leaders and service providers to educate budget committee staff and key legislators and governor's staff about need
- Engaged champions in CA assembly and persuaded Governor to include funding in January 2019 budget

Drove groundbreaking new state legislation to recoup lost income for trafficking survivors (first in USA)

- Performed assessment of crime victims funding and barriers for trafficking survivors to access benefits
- Assembled team including pro bono law firm, survivors, government agencies, and NGO partners to educate stakeholders regarding critical need
- Generated support in CA legislature and mobilized partners to influence Governor to pass legislation in 2019.
- Ensured implementation of state law by working with the CA Crime Victims Board to pass regulations by July 2020 deadline. Developed template materials for legal and social service providers around new law and trained over two hundred fifty advocates statewide to assist victims access then new benefit.

Increased Federal appropriations for anti-trafficking programs from \$25M to \$172M

- Gauged political climate to inform decisions on key activities/priorities to drive maximum impact
- Managed outreach to legislative, committee, and budget staff as well as agency heads and diverse intersectional partnerships

Supported drive to pass and implement legislation at state and federal level increasing protections and preventing human trafficking

- Spearheaded every Trafficking Victims Protection Act Reauthorization since 2003
- Ensured key provisions in other federal anti-trafficking bills
- Drafted and helped pass pioneering legislation in California including the California Business Transparency Supply Chain Act (2010); Hotline Posting (2012); Regulation of Foreign Labor Recruiters (2014), Affirmative

Defenses and Vacatur for Trafficking Victims (2016) and Lost Income for Trafficking Survivors, Updates to the Human Trafficking Caseworker Privilege and hotline posting requirements (2019)

MANAGING ATTORNEY

Los Angeles, CA • 01/2008 – 04/2010

Directed coalition's legal program including supervision of support staff, two-three law clerks, and thirty pro bono attorneys. Provided technical consultation to pro bono and legal service attorneys across the country and delivered training on human trafficking issues.

Expanded pro bono program, yielding \$2M in annual in-kind legal service donations to serve trafficking victims

- Leveraged professional network to solicit support from firm partners with sizeable pro bono programs
- Originated specialized training for pro bono firm partners and enlisted local firm to host and deliver training
- Arranged for cases to be placed with firms immediately and ensured clients received ongoing technical assistance and support

Instigated first encompassing training program for legal providers on immigration, civil, and criminal remedies for human trafficking survivors

- Secured donor partners for funding to support pilot trainings
- Organized training programs for legal and social service providers using interactive communicative teaching and adult learning strategies
- Collaborated with partners to host sessions in four states, ultimately training more than three hundred and fifty legal and social service providers

Expanded provision of legal services to trafficking survivors from one hundred twenty to more than three hundred caseload

- Produced templates for legal documents and materials to assist new staff in provision of services
- Built referral systems and partnerships with community service providers to enable external service delivery not available in-house
- Ensured cultural humility, safety planning, and self-care/trauma services were central to model and work
- Provided cutting edge direct legal services to client's immigrant, civil and criminal matters
